Responses to frequently asked questions can be found below:

Q1: “Are you looking for a master vendor that can handle all of these tasks? Or are you looking for more than one vendor that may have specialty in the specific areas?”

A1: EAI will select vendor(s) based on a best-value determination, which may result in one vendor for all anticipated services or one or more vendors for particular services only. EAI reserves the right to enter best and final negotiations with any responsive Offer it deems ‘best value’ for all or part of the proposed scope.

Q2: “Should the technical proposal and financial proposal be submitted in separate documents? Or can they be combined in one PDF?”

A2: The Technical Proposal and Financial/Cost Proposal should be presented in a separate document for each, but the two documents may be submitted in a single email together.”
